

CryptoCoach.io – Privacy Policy

Last updated: October 2025

1. Introduction

CryptoCoach is an AI-powered educational and trading platform built on the principles of 'Learn–Trade–Earn–Repeat.' This Privacy Policy explains how we collect, use, and protect your information, in compliance with global standards including GDPR and the UK Data Protection Act 2018, pending final jurisdiction registration.

2. Information We Collect

We collect personal information (such as name, email, wallet address, and KYC data where applicable), technical data (such as IP address, browser type, and device), and transactional data (including payment details and wallet activity related to the Coach Token presale).

3. How We Use Your Information

Data is used to manage presale participation, distribute tokens, verify user identity, comply with AML/KYC regulations, improve user experience, and communicate updates. We do not sell or rent your personal data to third parties.

4. Lawful Basis for Processing

Processing is based on contractual necessity, legitimate interest, legal obligation, or your consent. These bases ensure compliance with data protection laws.

5. Cookies and Tracking

CryptoCoach.io uses cookies and analytics tools to improve performance and user experience. You may disable cookies in your browser, but some features may not function correctly.

6. Data Retention

We retain personal data only as long as necessary for its purpose, compliance with legal requirements, or dispute resolution. After this period, data is deleted or anonymized.

7. Data Sharing and Transfers

Data may be shared only with authorized service providers (e.g., KYC or payment partners) or legal authorities when required. Data may be transferred internationally, and we ensure such transfers comply with privacy laws and safeguards.

8. Data Security

We implement SSL encryption, secure servers, and limited access controls to protect user data. Despite strong measures, no system is entirely secure, and users accept inherent blockchain-related risks.

9. User Rights (GDPR & International Compliance)

You have rights to access, correct, delete, or restrict processing of your data, withdraw consent, and request data portability. Requests can be made to info@cryptocoach.uk, with identity verification required.

10. Third-Party Links

CryptoCoach.io may contain external links. We are not responsible for the privacy practices of third-party websites or services. Always review their privacy policies.

11. Children's Privacy

Our services are not intended for individuals under 18 years of age. If we learn that a minor has submitted personal data, we will delete it promptly.

12. Updates to this Policy

We may update this Privacy Policy periodically. Any changes will be posted here, and continued use of the Website constitutes acceptance of the revised policy.

13. Contact Us

For privacy-related inquiries, please contact: info@cryptocoach.uk or visit <https://CryptoCoach.io>

14. Transitional Jurisdiction Clause

CryptoCoach Ltd is finalizing its registration in a jurisdiction optimized for digital-asset operations, tax efficiency, and privacy protection. Until confirmed, all data is processed under international commercial privacy standards, with final jurisdiction details to be announced publicly in Q1 2026.

Disclaimer: CryptoCoach does not provide financial, tax, or legal advice. Participation in token presales or platform activities involves digital asset risk. Always consult professional advisors before engaging.

Note: Jurisdiction under review — final announcement pending Q1 2026.
